

A nationally recognized expert in cardiology and cardiovascular imaging, **Gary V. Heller, MD, PhD, FACC, MASNC**, is Consultant to Nuclear Cardiology at Morristown Medical Center in Morristown, New Jersey. Dr. Heller also is Research Officer for the Intersocietal Accreditation Commission (IAC) in Ellicott City, and Chair of the American Society of Nuclear Cardiology Cardiovascular PET Task Force in Bethesda, both located in Maryland. He is Former Director of the Nuclear Cardiology Laboratory, Associate Director of the Division of Cardiology, and Former Program Director of the Cardiovascular Fellowship at Hartford Hospital in Hartford, Connecticut. He also is Former Director of Nuclear Cardiology at Memorial Hospital of Rhode Island in Pawtucket. A sought-after teacher, Dr. Heller has been a faculty member at Harvard University Medical School, Professor of Medicine and Nuclear Imaging at the University of Connecticut School of Medicine in Farmington, Associate Professor of Medicine at Brown University School of Medicine.

Dr. Heller earned his MD and PhD at Case Western Reserve School of Medicine in Cleveland Ohio. He completed his internship and residency in medicine at Boston City Hospital and University Hospital in Boston, Massachusetts. He completed his fellowship in cardiology at Beth Israel Hospital, also in Boston.

Dr. Heller's research interests are devoted to nuclear cardiology procedures, the physiology of exercise, and new products to expand and improve the role of nuclear cardiology in cardiovascular imaging. He is the author of more than 175 peer-reviewed manuscripts, book chapters, and reviews on these and related topics. Dr. Heller is a member of the *Journal of Nuclear Cardiology* Editorial Board. He is or has been a member of the editorial boards for *Journal of the American College of Cardiology*, *American Journal of Cardiology*, and *Journal of Nuclear Cardiology*. He also is Co-editor of Nuclear Cardiology: Practical Applications 3rd Edition, Nuclear Cardiology: Technical Applications, Handbook of Nuclear Cardiology (McGraw-Hill), Cardiac SPECT and PET (Springer), and Quality Control in Cardiovascular Imaging (Springer). Dr. Heller is Past President of the American Society of Nuclear Cardiology. He has served on committees for the American Society of Nuclear Cardiology. He is Former Program Director of the American Society of Nuclear Cardiology Third Annual Scientific Session, Past President of the Intersocietal Commission (IAC) for Accreditation/Nuclear and IAC/CT, and Past President of the IAC Board of Directors.
