

Dr. Subha Raman is a cardiologist and physician-scientist who serves as Division Chief of Cardiovascular Medicine at Indiana University School of Medicine, Vice President for Cardiovascular Services at IU Health and Director of the IU Health/IU school of Medicine Cardiovascular Institute. Through clinical, investigative, educational, and administrative efforts, she is dedicated to improving the lives of those we serve as well as the lives of those who serve across patient care, research, and teaching missions.

Her interdisciplinary research addresses cardiovascular health in those with cardiometabolic risk, myocardial inflammation, and neuromuscular disorders.

She also serves the broader communities of cardiovascular medicine and science through service to organizations such as the American Heart Association, American College of Cardiology, Society for Cardiovascular Magnetic Resonance, and the U.S. National Institutes of Health.
