FRONTIERS for TENTH ANNIVERSARY FRONTIERS IN CARDIOVASCULAR

Department of Continuing Medical Education
Evaluation Form

Please complete this form in order to receive Category 1 credit for this program or seminar.
Your constructive feedback will help us to meet your future needs.

* indicates a required item.

* Based upon this CME activity, what will you do differently in the care of your patients?

Remaining: 500

* What additional "practice gaps", i.e. the difference between what you currently do in practice and what is achievable based upon current professional practices, would you like addressed in future CME activities?

Remaining: 500

* Speaker disclosure was communicated verbally or in writing

Yes No

10:21 AM 10/25/2022

*** If you are claiming both CME and MOC, you will automatically be routed to the MOC quiz. You may make 10 attempts to pass the quiz with a minimum score of 80%. MOC credit is awarded by ABIM, not Atlantic Health System. Atlantic Health System will report your MOC activity to ABIM in 5-10 business days of your passing quiz. Upon determination of your eligibility, ABIM will issue your MOC credit to your ABIM profile.**
